The screenshot shows a Microsoft Internet Explorer browser window displaying the Horizon Health website. The browser's address bar shows the URL: http://new.mylifevalues.com/content_feature.aspx?FeatureId=337&dispid=&dispbenid=&pagetype=Employee%20Orientations. The website header features the Horizon Health logo and a navigation menu with tabs for My Family, My Health, My Time, My Money, My Benefits, and My Workplace. The My Benefits tab is active, showing a dropdown menu with options: EAP Services, WorkLife Services, Legal & Financial Services, and More Resources. The main content area is titled "Employee Orientations" and includes a search bar, a breadcrumb trail (My Benefits > More Resources > Employee Orientations), and a description of the orientation video. A "Suicide Prevention" button is visible on the right side of the page. The bottom of the browser window shows the Windows taskbar with the Start button and system tray icons, including the time 4:57 PM.
